## Crispy Southwest Wrap

The fresh salsa in this dish is an excellent counterpart to the laughably easy two-ingredient chicken breasts, but it also makes a nice taco topping, dip for tortilla chips, or side salad on its own. And meals that my kids will eat happily, without force, are essential! The avocado spread is wonderfully versatile; try it on burgers, cold-cut sandwiches, BLTs, and more. This pasta salad is best served right away, at room temperature.

Offers may be subject to change without notice. You can grill the chicken a day or two ahead and reheat or use leftovers for the filling, but if you don't, try heating the tortillas on the grill; they'll have a nice toasted texture.
