Jack Goldstein

For instance, through its repetition of the lion segment that preceded so many films, Metro-Goldwyn-Mayer shows that the footage of the lion roaring plays both forward and backward.

Jack Goldstein

After many years of being overlooked, Jack Goldstein's work is finally beginning to be reviewed and recognized for the importance it holds for so many young artists working today.

Jack Goldstein Paintings, Bio, Ideas

He died on March 14, 2003. Memorial contributions may be left in care of the Yorgensen-Meloan-Londeen Funeral Home, 1616 Poyntz Avenue, Manhattan, KS 66502. Jack Goldstein was a Canadian born, California-based performance and conceptual artist.

Jack Goldstein Paintings, Bio, Ideas

Some of the sounds include A German Shepard on red vinyl , The Tornado on purple vinyl , Three Felled Trees on green vinyl , and The Dying Wind on clear vinyl , among others. As with his moving image work, Goldstein used painting to expose its inner-workings and critique society's image consumption. As Jack used to say, he lived a long and full life filled with the love of family and the successes of his careers, who had no regrets other than missing Dorothy, his wife of 59 years, who passed away three years ago.

Jack Goldstein

A new book published by Minneola Press on his life was released in January, 2004. While gaining some notoriety and success during his lifetime, the art world acclaim did not last, but his influence was widely felt by his peers, including several among the artists, and younger, post-Conceptual painters and filmmakers such as Ashley Bickerton and Douglas Gordon.

Jack Goldstein

. As with much of his work, Goldstein does not participate in the work, preferring instead to distance himself and, therefore, ideas of authorship as well. Saturday, July 17th, at McCain Auditorium at Kansas State University.
