**The View From the Center of the Universe: Discovering Our Extraordinary ...**

Political Science Quarterly With neither an ideological nor a partisan bias, PSQ looks at facts and analyzes data objectively to help readers understand what is really going on in national and world affairs. Advice and Dissent: Scientists in the Political Arena. Bob and Joel were graduate students in theoretical physics.

**Frank N. von Hippel**

It did not take long for Cox to conclude that better laws were required.

**Midgaard: The Honest Broker**

Cox and Soper made a formal presentation of their workshop's report. The technical background of the workshop leaders was reflected in a discussion of various models of forest management in the report clear-cutting versus selective logging , as well as in the generally careful quantitative treatment of economic issues. New York: Meridian, New American Library.

**Joel Primack**

Preston; The Brain Bank of America: An Inquiry into the Politics of Science.

**What is Science?**

The researchers followed up their man-on-the-street survey with seventy-seven extensive telephone interviews with representatives of labor unions, men's and women's service clubs, church groups, and so forth.
