

# Immunobiology of proteins and peptides - [proceedings of the First International Symposium on Immunobiology of Proteins and Peptides, held in Minneapolis, Minnesota, September 25-28, 1977]

Plenum Press - Immunobiology of Proteins and Peptides VIII

Description: -

-  
Proteins -- Congresses.  
Proteins -- Analysis -- Congresses.  
Peptides -- Congresses.  
Peptides -- Analysis -- Congresses.  
Immunology -- Congresses.  
Immunology -- Congresses.  
Immunochemistry -- Congresses.  
Antigens -- Congresses. Immunobiology of proteins and peptides - [proceedings of the First International Symposium on Immunobiology of Proteins and Peptides, held in Minneapolis, Minnesota, September 25-28, 1977]

-  
Advances in experimental medicine and biology -- v. 98-  
Immunobiology of proteins and peptides - [proceedings of the First International Symposium on Immunobiology of Proteins and Peptides, held in Minneapolis, Minnesota, September 25-28, 1977]

Notes: Includes bibliographies and index.  
This edition was published in 1978

Filesize: 6.27 MB

**MPS\_CV\_MO\_10**

Bar code columns reveal correlations of isolate lineage with capsule serotype, disease type, and geographic origin. Cantab , FNA, FASc, Formerly Director, Central Drug Research Institute, Lucknow; Res.

**Immunobiology of Proteins and Peptides VI**

Nach einer kurzen Einleitung über pharmakodynamische und pharmakokinetische Grundlagen werden die wichtigsten und häufig verwendeten Arzneimittel systematisch beschrieben.

**Full text of report : National Cancer Institute**

E18, IISc Housing Colony, Bangalore - 560012; Tel. L64 Calcium Binding Affinity and Metal Selectivity of a De Novo Designed Calcium Binding Protein. Variability of outer membrane protein P1 and its evaluation as a vaccine candidate against experimental otitis media due to nontypeable *Haemophilus influenzae*: an unambiguous, multifaceted approach.

**Browse by Year**

Banerji Memorial Lecture Award 1995.

**Browse by Year**

Department of Otolaryngology, First University Hospital, West China University of Medical Sciences, Chendu, Sichuan, China Quan-an Zhang, M. Each symposium has focussed on a particular aspect of molecular and cellular immunology of proteins and peptides.

### **HBCU Conference Program**

In collaboration with the Developmental Therapeutics Program, DCT, NCI, Dr.

### **MPS\_CV\_MO\_10**

Pettis Veterans Medical Center, Loma Linda, CA Katalin G. Nickl 2 and Wolfgang R. Sih, MD, PhD Joseph W.

### **Meeting report: First international symposium on immunobiology of proteins and peptides**

The conduct of toxicology studies will also be presented from the viewpoint of the in- M.
