Economic and Social History of Later Medieval Europe, 1000

When the Turkish officers came down heavily on the English merchants, the masters of the Indian ships often played the role of mediators of intermediaries; the Turks evidently derived considerable profit from the trade carried on by the Indian ships. Their standard of living was moderate and far below that of the nobles and state officials.

A Social and Economic History of Medieval Europe

While both Jahangir and Shah Jahan recognised the technical skill and efficiency of indigenous artists and craftsmen and utilised their services, Aurangzeb stopped this and the indigenous style and technique were nipped at the roots. Manasa-mangala Kavya depicts the conversion of the merchant Chand Sadagar who was at first unwilling to pay respect to Manasa, the snake goddess to a worshipper of the goddess after his seven sons were killed by snake bites.

Social, Economic and Cultural History of the Medieval Age

Monserrate, Lahore was not second to any city in Europe or Asia. Nityanandadas, Narahari Chakravarti, Ramgopal Das, Pitambar Das were some of them.

Some bales of raw silk were taken away from the Cochin ship and a few bags of rice from the Chaul ship, and the ships were let off.

Economic and Social History of Medieval Europe

Goddess Kali appeared at the ultimate stage of the story when Sundara was condemned to death and saved his life.

A Social and Economic History of Medieval Europe

Iron was found in many parts of India. It has two main gateways, one in the middle of the western wall and the other in the south.

Economic And Social History Of Medieval Europe : Pirenne Henri : Free Download, Borrow, and Streaming : Internet Archive

Habib, however, emphasis religious reaction and national consciousness as the motive force behind the opposition to the Mughals. The most beautiful part of the story is the resurrection to life the dead body of the seventh son by his widow Behula who took the snake-bitten dead body on a raft to the abode of gods and restored him to life with their blessings. Inter provincial trade gradually came to a standstill.

Economic and Social History of Later Medieval Europe, 1000

Rajasthan, the Punjab Hills and northern India even when the grand Mughals had vanished.
