Contemporary Arab Thought : Studies in Post

Some thinkers from both camps postulate that the two are incompatible, while others are more willing to find common ground and suggest that the two can be mutually beneficial, or even that one is inherent in or necessitates the other. . Certainly the student of Arab political thought should find this comprehensive survey.

In the good old days, modernization theorists considered these transformations as a victory of the Western liberal model over that of socialism. Aside from the social and economic ramifications of globalization, the main issue to be addressed by Arab intellectuals is that of the contemporary cultural personality of the entire Arab world, both in the Middle East and North Africa.

Contemporary Arab Thought : Studies in Post

Before 1967, some Arab countries launched hopeful programmes of modernisation. . Hope, therefore, lies in the power of the masses.
