## Biography

A brief overview of life on the Island since DOSCO pulled out in 1966 and suggestions for further research are presented. After this assignment he was appointed Mining Superintendent in which capacity he served until his promotion to General Superintendent of Mines on June 1 st. The miners also managed to procure the reinstatement of all the strikers, a significant achievement, but there is no indication that the companies recognized the union or acceded to its demands over hours.

**9780920911693**

In many instances, such parties have little or no interest in the long-term fate of the local people or the local economy. He would put in a 10-hour day, six days a week, fer the princely sum of thirteen cents an hour.

## **Indigo**

Former mineworkers from Bell Island claim that he and other leaders found jobs at the steel plant in Sydney. On 11 June miners there struck the Dominion Iron and Steel Company Limited, also known as the Whitney company after its president, Henry Melville. Me brudders and sisters all went to the Catholic School and I did too, til I was 10 and could get a job swamping in the mines.
