Fact check: No proof Gen. George Patton called out 'liberal Democrats'

Province did not use footnotes in his book and said the work was not a biography. There is light marking to the DJ. Possible ex library copy, will have the markings and stickers associated from the library.

The Pattons A Personal History of an American Family The Warriors, Patton, Rober

Patton said, 'Politicians are the lowest form of life on earth. His comparison of the Nazi Party — an organization dedicated to the industrialized murder of racial and ethnic minorities — to the Democratic and Republican parties reflected this. Sections on the Civil War generation of Virginia patriots is very revealing.'

The Pattons: A Personal History of an American Family

That is refreshing although there were times when I questioned if I even wanted to begin this book searching a connection between the Georgia Pattons and the general who was born in California. As a family member, the author surely has his own opinions of the people involved, but he keeps these to a minimum, letting the rich array of family sources speak for themselves, and presents an amazingly well-balanced, concise portrait of his subjects, he doesn't go out of his way to trash his Grandfather's reputation as so many tell-all books written by relatives of celebrities today seem only too happy to do nor does he seek to glorify his accomplishments. The star of the family and of this book was George S.

The Pattons: A Personal History of an American Family by Robert H. Patton, Paperback

Pages are generally clean with minor edge or corner wear. Patton had his share of personality foibles, but the man himself will always remain obscure. Pricing is shown for items sent to or within the U.
