His sesquipedalian style appears in his early efforts, and seems to have been partly caught from the seventeenth-century writers, such as Sir Thomas Browne, whom he studied and admired ; and in whose high-built latinised phraseology there was something congenial. There is an online index of the names of collieries which have diagrams or photographs in the book on Edited for the Royal Commission on the Ancient and Historical Monuments of Wales by Stephen Hughes, Brian Malaws, Medwyn Parry and Peter Wakelin Published 1994? This supposition, however, directly contravenes Abraham Johnson's statement that his father was the lord keeper's chaplain, a statement which appears to have been unknown to Messrs. Spelling and capitalisation vary: almost any mac can be spelled mc, and the letter afterwards may be upper case or

lower case the latter commonly for a vowel or c.
