Please believe me when I tell you that you need to know everything in this book! Answer keys offer a detailed rationale and an indication of the focus of the question to encourage formative assessment. Eight chapters end with practice sets to help you put these critical thinking principles into action. This is all we do, and we have been doing this for 15 years.

NCLEX

From the most trusted name in NCLEX review, Linda Anne Silvestri, this resource is part of the popular Saunders Pyramid to Success. We create questions that are at or above the level of difficulty of the NCLEX. Written by the most trusted name in NCLEX review, this is THE book of choice for NCLEX preparation.

Interactive practice quizzing on Evolve allows you to create a virtually unlimited number of practice sessions in Study Mode or Exam Mode. Even better, all answers include detailed rationales to help you learn from your answer choices, as well as test-taking strategies with tips on how to best approach each question. YOUR SUCCESS IN NURSING is determined by your ability to think, plan, decide, and take action.

The NCLEX-RN Practice Questions Exam Cram, Fifth Edition offers a cram sheet for last minute study as well as the CD testing engine for that testing experience, a proven combination for exam success! Our material is based on the NCLEX-RN blueprint, so you are tested on the most important core content. Updated to provide more relevant and challenging questions matching NCLEX adjustments made in 2015, this fifth edition improves upon the prior editions that have served as one of the most popular late-stage study tools for Nursing candidates.

NCLEX

This new edition includes 5,200 NCLEX examination-style questions in the book and online.
