## Feminist Psychology and Psychoanalysis

The infant feels confident in asserting its independence, and destroying its object in fantasy, so long as that object is discovered to have a secure external existence in reality.

Women might be able to be full persons, subjects with agency, but only at the expense of their femininity; or they can embark on the course of femininity, but only by sacrificing their independence and agency. Instead it embraces ambiguity and non-identity, respecting both the value of participating in historical time and the ineluctability of bodily difference. Depicting the creation of a stable society grounded in law though founded in violence , Freud's tale serves as a paradigm for not only rudimentary, but also enduring and contemporary, political relations, which he views as rooted in unconscious drives but oriented toward achieving a stabilization or equilibrium of those drives at the communal level.

## Psychoanalysis, Feminism and the Future of Gender by Johns Hopkins University Press (Paperback, 1994) for sale online

Gender issues are often discussed emotionally and have become — along with migration issues — one of the central battlegrounds of current political confrontations. The violent conflicts within are not repressed but neutralized and pacified in the reality of intersubjective life that affirms and recognizes autonomy.

In Freudian theory, the father's reign is pervasive, his sovereignty extended in every domain.

## What feminism means today

In other words, it is no longer repressed memory that makes one ill and traumatic sexual violence no longer figures as the primary cause of symptoms.

## Women

Feminism Simply, feminism states that men and women should be equal socially, economically, and politically. It's upsetting and disturbing in the same way that people deny personal problems.

## **Women**

The symbolic is Lacan's term for the way in which reality becomes intelligible and takes on meaning and significance, through words; the imaginary refers to the mode of intelligibility offered by images.
