As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. For the most part they are set out in double columns — the first column generally containing his roughly drafted out ideas as they occurred to him; the second containing ideas revised and reworked selectively into a more formal, if not finished, shape. Containing many classic works from important dramatists and poets, this collection has something for every lover of the stage and verse.

Samuel Butler, Author of Hudibras, Vol. The latter contains Nash's inscription inside the upper cover, and in his edition of Hudibras I, xxxix Nash reproduces in facsimile two lines from this manuscript which, however, are derived from Otway's prologue to Nathaniel Lee's Constantine the Great 1683 and are in Longueville's hand, not in Butler's as Nash supposed.

Samuel Butler (Author of Hudibras)

In late 1662 the first part of Hudibras was published, and the other two in 1664 and 1678 respectively. For his own notes on the manuscripts, see. Nash claimed, moreover I, xvii-xviii , to possess another of Butler's manuscripts acquired from a different source.
