Remarks by Vice President Joe Biden on U.S.

Yet, we are all linked through decades-old economic, legal, social, and cultural ties and a shared aspiration for better health for our families and children.

WHO

We, the United States and Korea, we've grown together as our alliance has, as well -- an alliance born out of blood, sweat and tears of our warriors and yours, standing side-by-side six decades ago, defending the integrity of this country.

Remarks by Vice President Joe Biden on U.S.

The problem is sometimes I say all that I mean. PHASE II - 3-5 YEARS: Reduce and reorganize the force structure - During this phase, proportionally greater reductions in combat forces will be undertaken incrementally to ensure that potential adversaries do not misread our deterrent capability and intentions. Only after the US proves that it has turned firmly anti-Western — and only thus truly American, for Americans only became American by themselves rejecting British colonial rule — can the US be trusted to rejoin the Pacific community.

Towards an Asia

Soon after US independence, Americans declared ourselves guardians of the New World under the Monroe Doctrine.
