JOHN DENVER LYRICS

The number of engines in the story also eventually became standard across the tellings: The happy locomotive on the toy train who breaks down and cannot go on, the pompous passenger engine who considers himself too grand for the task, the powerful freight engine who views himself as too important, and the elderly engine who lacks either the strength or determination to help the toys.

Burl Ives

Just think you can, just think you can and have that understood, and very soon you'll start to say I always knew I could.

The little engine that could (2001 edition)

A different version with the same title appeared in a magazine for children in 1916 under the name of Mabel C. Miller was the founding editor and publisher of The Book House for Children, a company based in Chicago.

The Little Engine that Could

The toys got out to push, but all in vain alas, alack. The little engine moaned and groaned and huffed and puffed away, but halfway to the top it gave just gave up and seemed to say I can't go on, I can't go on, I'm weary as can be. Throughout his life, Denver recorded and released approximately 300 songs, about 200 of which he composed.

The Little Engine That Could Lyrics

Along For The Ride 56 T-Bird 16. Until it reached a mountain that went almost to the sky.

The Little Engine That Could Lyrics

An early version goes as follows: A little railroad engine was employed about a station yard for such work as it was built for, pulling a few cars on and off the switches. Choo-Choo must substitute for a passenger engine who has broken down.
