This realist metanarrative condition was inseparably mediated by and inescapably linked with forces emerging with capitalism in Europe, which involved the rise of a middle class, the articulation of possessive individualism, the precipitation of nationalism, and the birth of print capitalism. At the same time, it is important to recognize that what appeared to many contemporaries as a caesura in the history of the discipline was not the product of external pressures alone. Jendaa shihyoo to jendaa no imisee no henka: Eega Shinjuku Boys ni okeru onabe no baai Gender indexicality and semantic shifts in gendered meanings: The case of an onabe in the documentary film *Shinjuku Boys*.

Ai no Kotoba (Title)

Western names appear in given name—family name order. This overview shows that the development of the discipline of history in both countries is usually conceived within identical narratives of methodological development and the paradigm of modernization of historical scholarship. The Marxist model of world history thus enabled historians to award draconian measures that seemed required by historical necessity the legitimizing label of progressiveness.

#### **Ai no Kotoba (Title)**

The term *roumōha* referred to the journal *Roumō* Workers and Peasants , which the dissident faction had founded in December 1927, and referred to the demand for a united front of workers and peasants that should replace the Communist Party, the self-styled avant-garde of the working class. However, as we have seen in section 4. How and why do women speak more politely in Japanese? Buntai to aidentitii Style and identity.
