Microbiome

You should not send the form to us on submission, but we may request to see a copy at any stage including after publication.

Prepare Your Book

Acknowledgements Please acknowledge anyone who contributed towards the article who does not meet the criteria for authorship including anyone who provided professional writing services or materials. A simple way to check this is to make a black and white printout to see if the necessary distinctions between the different colors are still apparent. Guidance and criteria for authorship can be found in our.

Six things to do before writing your manuscript

Authors submit manuscripts and track progress through all stages of the review process. See our editorial policies for author guidance on good citation practice. Typically they will contain 4000 words, up to 50 references, and 5 display items figures or tables.

Journal of Biomedical Science

This file will be separate from the manuscript for the review. Please check the Criteria section for this article type located at the top of this page for journal specific policies.

Radiation Oncology

Very systematic communication and the best e-proofing platform for online proof submission! Article within a journal no page numbers Rohrmann S, Overvad K, Bueno-de-Mesquita HB, Jakobsen MU, Egeberg R, Tjønneland A, et al. Book layout When writing a book for Springer, please do not worry about the final layout. Authors of the original article will see any accepted correspondence and have the opportunity to reply in the same format.
