**Munhwaō : the ‘cultured language’ and language branding in North Korea, 1964**

Much of this has come from experts in nuclear or economic studies.

### AL

These sections were written with a view to the many people who have complained to me about the unreadable di useness and repetitiveness of the few North Korean books available in English.

### 안 철수 1962

He claims as well that Koryō was the first nation to unify the peninsula 1983. It was not until the mid-1960s, for example, that the Text began claiming Kim Il Sung had defeated the Japanese and the Americans without foreign assistance. Here too the contrast to Soviet propaganda is stark.

Many of them were reported on days after they allegedly took place, and are remembered today with plaques and stone slabs, some engraved in blood-red script, at the relevant sites. The linguistic variations between the two languages, causing both sides anxiety already, is bound to be an obstacle come reunification. The journal reappeared in 1986 under the name Choson Ōmun Ko 407.

Kim Il Sung Contrary to South Korean left-wing myth, which the American historian Bruce Cumings has done much to nurture, almost all intellectuals who moved to Pyongyang after liberation had collaborated with the Japanese to some degree. Yankee villains, incidentally, are beanpole thin. The next question, then, is whether North Korean branding of Munhwaō was merely applying a new sticker to an old product or

Many in the northern provinces continued tuning in to Chinese TV on their smuggled sets, and communicating with migrants by smuggled cell phones. Commenting that even just the fact that there were Japanese restaurants on Seoul is offensive enough, a writer for Munhwado Haksup expresses his anger that these restaurants are used as a means to impress the Japanese official.
