## Termination of pregnancy: a review of psychological effects on women

However, an overall sense of gratitude for the access to rehabilitation resources was also described.

## Termination of pregnancy: a review of psychological effects on women

As noted previously, while this question has been addressed in previous studies using large administrative databases, this is the first prospective study to do so. They appear to be mysophobic, and their behaviors also appeared strange and to be displaying sickness.

## The spread of 'Post Abortion Syndrome' as social diagnosis

With..... Bibliography Banaszak-Holl J, Hines MA.

## The spread of 'Post Abortion Syndrome' as social diagnosis

New York, United Nations Population Fund, Nov. In Gerontology: Changes, Challenges, and Solutions. Although the participants still perceived infection prevention to be the main purpose of using a facemask in post-SARS Hong Kong, and although the participants commonly believed that facemasks were for use by healthy people to prevent themselves from becoming infected, the intention to prevent infection has been associated with negative attributes after the SARS outbreak.
