Kessler-Harris has crafted a nuanced life of Hellman, empathetic yet unsparing, that situates her in the varied contexts in which she moved, from New Orleans to Broadway to the hearing room of HUAC. If Shakespeare's myriad-mindedness results in his being eagerly co-opted by rival interest-groups, a sensitive appreciation of Chekhov involves knowing just how much his work resists becoming the mascot for any particular cause. One of the greatest Chekhov events I have experienced was at the Maly Theatre in St Petersburg where the world-class director Lev Dodin and a superlatively seasoned company turned the sprawling, early Platonov into a splashy, jazz-filled aquatic extravaganza — the fact that the schoolteacher hero is an electric eel in a barrel of dead fish was emphasised by amphibiously setting the play in and around the local river.

Second, it provides an opportunity for the publication of serious academic work that is accessible across disciplines.

It constitutes another reason why critics should not come to Chekhov over-confident that they know how he should be done. The typescript, which is heavily emended, appears not to have been published. Born in Pittsburgh, Pennsylvania, James Light came to New York in 1917, after graduating from Ohio State University, intending to pursue additional studies at Columbia.

### **The Three Sisters: October 2010**

Classic Gershwin weaves the vibrant music of the ever-popular composer George Gershwin with his fascinating life story from birth in the colourful, teeming New York of 1898 to his tragically early death in 1937.
