## How to Get Hired by Deloitte

We bring all of this to life through a unique combination of data, insight and service excellence at customer sites across globe. Similarly, I work with corporate hiring managers and recruiters who voice frustration at the lack of civilian understanding veteran candidates greet them with. Without insight into the power of social networking tools, many veterans are invisible on platforms where recruiters and hiring managers search for job candidates.

The first one should be: Who can see my resume, and what information can they access? It doesn't matter whether you're a bottom-of-the-totem-pole call center newbie or a chief executive officer--there's a recruiter somewhere who specializes in placing people in your niche, and you're going to form a personal relationship with him or her. ## **ISS Global**

MB Dona DeZube is a freelance writer based in Columbia, Maryland, and is the finance expert at Monster. I think this would motivate associates to continue working at this firm. So how do you find a good local recruiter? Ask your state association if it runs a listserv--that's an online group where you can post e-mails about a particular topic in our case, mortgage banking and other members of the group respond via e-mail.

## **Shipman & Goodwin LLP Law Firm Profile**

Gossip runs through the firm, making the setting feel like there is a lack of adults.

## **Why Veterans and Civilian Employers Have So Much Trouble Communicating**

There are two ways to find the background information you need. Everyone Loves LawCrossing I was incredibly happy with the site.

## **Navigating your career (1999 edition)**

Second, military service trains for adaptability and resourcefulness. During the technical interview, the interviewer will assess your technical knowledge, skills and abilities as they relate to the needs of the specific job you are applying to.
