**THE MOOD OF THIS PHRASBOOK**

## finding things in book

This book is divided into 11 Hindi/Urdu part and 1 English part – the one of major importance for the reader and the one for the teacher. The four chapters are the ones you'll thumb through time and again. The practical sections cover basic travel situations like catching transport and finding a bed. The other parts are more general and will help you to get around and make your opinions – say you can't get people. Find a section with all sorts of general information about India and Indian culture. You can also find ways to express your hobbies and political opinions. If you're interested in the culture of other countries, check the last few pages' tips (Answers to the word you need).

## being understood

Throughout this book you'll find coloured boxes – each page. They're placed here and there to explain the pronunciation – the language you don't even need to look at the language if you're not familiar with the Hindi/Urdu or Bengali script. The pronunciation for Hindi and Urdu words and phrases is given in Romanized form. The first few pages of each chapter give the pronunciation guide for each, preceded by 'for' and Hindi or for Bengali. The pronunciation guide for each, preceded by 'for' and Hindi or for Bengali. The pronunciation guide for each, preceded by 'for' and Hindi or for Bengali. If that's not enough, you can always ask for help from a local or a tour guide. ## communication tips

Body language, ways of doing things, sense of humour – all have a role to play in effective communication. This book gives you some tips on how to use them, or everyday language to drop into conversation. Listen for 'yes/no' boxes, supply the phrases you may hear and 'mean' boxes show you signs someone might make when they mean something.

feature. Where can I get money changed?.  
Jí is added to a person's name as a sign of respect.

## **Phrasebook: Lonely Planet Hindi, Urdu & Bengali Phrasebook & Dictionary (Edition 5) (Paperback)**

Do you have a safe? Sometimes, they'll even alternate sentences, going from Hindi to English, and back to Hindi! 'āpka nām kya hai? For example, don't say ████ thank you after a clerk hands you your grocery bag, but when someone goes out of their way to do something nice for you. Is there a local specialty? These change the forms of certain words. Don't let all of this lead you to believe Indians are cold though — nothing could be further from the truth! With language tools in your back pocket, you can truly get to the heart of wherever you go, so begin your journey now! Can I just pay a fine now? Ask for directions in dynamic Delhi, book a river trip through Bangladeshi countryside, or haggle like a local at street bazaars; all with your trusted travel companion.
