Urban Dictionary: Austen

At the age of eleven, however, Jane Austen was not concerned with novels but with reinstating herself among the people and activities of the crowded rectory at Steventon. The first attempt to include all the words of English in a dictionary was in 1721, when Nathaniel Bailey produced his. A rich widow who has survived two rich husbands, she is a female version of Austen's great-uncle Francis, and like him surrounded by a court of acquisitive nieces and nephews.

50 Words from Jane Austen's &

On 13 June, however, Charles found her 'very ill', and Lyford told the family that her case was desperate.

Austen Thesaurus

But the standard plotline for most longer fiction, whether published in multi-volume book form or serialized in a magazine, was

the courtship of lovers of unequal rank and means, involving the woman particularly in picaresque adventures and trials, with a happy ending always in jeopardy from the economic and social differences between the protagonists.
