## Huaquan

He then followed Xie Lian until one day the prince noticed him and revealed that he was so impressed by Hong Hong'er's potential that he actually wanted to promote Hong'er and have him by his side. Later, she creates both Defensive Arrays and a Yuan Qi Gathering Formation as more members join Dragon Cave Mountain. His inspirations are , , and .

## Tuning Features of Chinese Folk Song Singing: A Case Study of Hua'er Music

Some evil spirits with high ability got restless and broke out of the prison countless times and even though they are caught and brought back every time they escape from the Underworld but it is still an oversight.

## Hua Yang

Conclusions This study suggests that, in professional music training, any tuning strategy should be considered in terms of the reference pitch and likely tuning systems. As he was often thrown out of his home, Hong'er would oftentimes stay in the small Crown Prince shrine without anything to eat.

## 二氧化碳 [er]

Meanwhile the intrigue from this episode si Chef Song. In the ten years of his stay in Mount Tonglu, he deciphered and mastered the dead language of the ancient kingdom and created the .

## Yang Yan

Ethnomusicology 42 2 : 199—264. Of all the blooms in the garden, none compares to it.

## Hua Yang

Xie Lian used the last of his money to buy tens of the lanterns and let the spirits go, one of them being Hong-er. I was still on the phone talking to

AnNing when I saw his gloomy expression.
