But the image there to-day is, as report goes, the work of Alcamenes. Therefore, using Pausanias' text and your own research as a starting point, each week you will have the opportunity to write your own version of a Greek travel narrative. His approach to the topic takes the form of a defense of this notion against objections raised by Simon Swain and, chiefly, Karim Arafat.

These would comprise but a small part of Thrace. Herodotus, who serves in many ways as a model for Pausanias, 13 recognized at the dawn of Greek historiography the importance of seeing things for oneself, both for the purposes of ascertaining facts and for claiming the authority to write about them. You will explain the strategy, the amount of time spent, whether you did it with others or on your own, and a brief assessment of how much that strategy helped you or not.
