Psychoanalytic Criticism

The constant struggle between himself and his father, which he describes in MEIN KAMPF, is probably true although the motivations underlying his actions were in all likelihood quite different from those he describes.

Analysis: Psychoanalysis in a Fairy Tale

When this happens it may be extremely helpful to understand the nature of the social forces which influenced the development of individual members of the group. There is a possibility that Hitler has participated in a homosexual relationship at some time in his life.

A Psychological Analysis of Adolph Hitler His Life and Legend

In every utterance a speaker or writer unknowingly tells us a great deal about himself of which he is entirely unaware.

Psychoanalytic Criticism

A 2010 review published in the American Psychologist suggested that psychoanalytic therapy was as effective as other evidence-based therapies. Hitler's outstanding defense mechanism is one commonly called PROJECTION.

What Is Psychoanalysis?

Informants are agreed that he fears neither Churchill nor Stalin. .

Psychoanalytic Therapy: Definition, Techniques, and Efficacy

In all the other subjects such as mathematics, languages or history, which require some thinking, his work is on the borderline - sometimes satisfactory and sometimes unsatisfactory.

Psychoanalytic Criticism // Purdue Writing Lab

In the psychoanalytic method, patients are encouraged to speak freely about whatever comes to their minds, to follow their thoughts and feelings wherever they may go. His microcosm has been inflated into a macrocosm. In order to do this, he must oust Christ as a competitor and usurp his place in the lives of the German people.
