## Individual Research Fellowships (F)

Incomplete applications will be returned to the applicant without further consideration. Kirschstein NRSA for Individual Senior Fellowship F33 program for post-doctoral research training.

## NINDS

Postdoctoral fellows incur a service obligation for their initial 12 months of NRSA postdoctoral support. These fellowships provide a stipend for salary support and a small institutional allowance to partially offset the costs of research, tuition, and health insurance.

## Individual Postdoctoral Fellowships (F32)

The applicant must be currently enrolled in a Ph.D. Supported approaches include neurophysiology, biophysics, integrative neurobiology, neuroethology, neuroanatomy, neuropharmacology, systems neuroscience, cellular and developmental neurobiology, and computational approaches to neural systems.

## NRSA Individual Predoctoral Fellowships (F30 and F31)

See the FOA for additional eligibility information.

## PA

NRSA awards provide stipends, funds toward tuition and fees, and an Institutional Allowance to help defray fellowship expenses such as health insurance, research supplies, equipment, books, and travel to scientific meetings.

## Training Grants Supported by NINR

Applicants must consider any prior NRSA postdoctoral research training in determining the duration of the fellowship support requested. For an introduction to predoctoral fellowships, watch. The NCFA is reviewed by a NINDS training study section alongside extramural career development grants and are evaluated according to the F32 review criteria found in the Program Announcement and F32 grant application guidelines.

## **PA**

The fellowships are also designed to provide active mentoring of the Fellows by the sponsoring scientists who will benefit from having these talented young scientists in their research groups. For information on individual NIDCD National Research Service Award NRSA fellowships, including application forms and detailed instructions, see the. Resources at UCIrvine Writing consultants at the are available to help students to polish their writing by providing comments and suggestions on grammar and clarity.

## **Grant Types**

The full announcement for this program is located at. NINDS Competitive Postdoctoral Fellowship Award NCFA The NINDS Intramural Competitive Fellowship Award is the NINDS Intramural equivalent of the. National Research Council US Committee on National Needs for Biomedical and Behavioral Scientists.
