### Lucretius Biography

The Lucretii were one of the most ancient gentes, and the second wife of , the second , was named Lucretia. It concludes with one of Lucretius' greatest passages of verse, his famous and caustic analysis of the biology and psychology of sexual love.

### On the Nature of Things — Lucretius

His epic is presented in six books and undertakes a full and completely naturalistic explanation of the physical origin, structure, and destiny of the universe. The English has been Americanized, and the introduction vii-xxxiv is new, as is the select bibliography xxxv-xxxvii , most of the notes now 533 instead of 360; the nineteen dealing with textual matters should have been in an appendix , the revamped outline now divided among the books of the poem , and the index of names and subjects from which Diogenes of Oinoanda, whom Smith has edited with distinction, is omitted, despite fifteen citations. At random and unpredictable moments, moreover, they deviate ever so slightly from their regular course, their resulting collisions thus occurring not by strict necessity but always with some element of chance.

### Lucretius

Jennifer Louise Heller, The Mother's Legacy in Early Modern England Farnham, 2011. In the remainder of the book the poet begins the work of explaining the Epicurean system and refuting the systems of other philosophers. Sedley, Lucretius and the Transformation of Greek Wisdom Cambridge, 1998.

### Lucretius Biography

Jonathan Goldberg 'Lucy Hutchinson Writing Matter', ELH, 73 2006 , 275-301.

### Lucretius Bibliographies

Greaves, Deliver us from Evil: The Radical Underground in Britain, 1660-1663 Stanford, 1986. We can, at all events, say with some confidence that Lucretius wrote his poem in the mid first century BCE.
