Talk:Ikuo Hirayama

The first example would be Bach's Brandenburg's concerto's, which were written for a contest as the director of a orchestra in Brandenburg. Urei no hitomi wa ima nani wo utsusu? Back when I saw it, I got the strong impression that people were voting songs based on the series they came out of.

But it is a music that is heartwarming 1. The Grammy's don't really reward songs in terms of how memorable they are, but they follow a totally different set of parameters when awarding one of these prizes.

Hiraheishi wa Kako wo Yumemiru (Title)

Nampa o suru nara Makasete okure yo San nimo yon nimo Oshi ga kanjin Come On Baby Come On Baby Tamanegi tabereru Sonna me shite Mitsumecha tereru yo Zo-san Zo-san Ora wa ninkimono Shinnosuke! In fact, she mentions that until recently, Hanasakiawa did not have an astronomy club, although from this story it is implied that a faculty member created the Astronomy Club as an excuse to avoid punishing her for being on school grounds late at night and facing repercussions from the powerful Tsurumaki family.

Hiraheishi wa Kako wo Yumemiru (Title)

Doragonbooru Zetto No-Ten P-kan Atama saete Ra-men Roppai Haha nonki Seikimatsu hashage ochame gaaru We gotta power! Yume Boken Without doubt one of my favorite OP from the 80s. For us mecha fans, there's one song we all love: Yuusha Oh Gaogaigar OP Masaaki Endoh - Yuusha Oh Tanjou! Okeshou nanka wa shinakutemo Anata wa watashi ni moumusuu Shinju no namida wo ukabetara Otoko no ko nante ichikoro

yo! Although Kokoro has the optimism and charm of a natural leader, she is also quite scatterbrained and ditzy, and would not be able to get much done without the others in the group helping her.

Last Exile more specifically the Silverna and Hello, Kitty Girl tracks ,. Uwasa ni kiko eta sugoi yatsu Kikku atakku denkou panchi Umare kawa tta fujimi no karada Andoro gundan taosu made Moe ru ikari wo buchikamase Furenda jietto! Ame wa mou aribai wo kesu no? Even now hearing the song is pretty jarring to me at times simply because it's so high energy so it's hard for me to say that I really like it that much, but it's quite memorable nonetheless. Tomoranai no yo I still I still I love you! Painted in rich, soft waves of powdered pigment with occasional flecks of gold, it becomes, surprisingly, a thing of beauty.
