**Full text of English, Greek, Latin edit.  
transl. var.**

The institutionalized authority was the satrap, who extorted tribute, including personal military service. Neither the site of Dicaea 7 nor its foundation date are known.

**Papers of the American School of Classical Studies at Athens.**

But, to show that the fate of Aristotle's writings did not entirely depend on the fortunes of the library buried in the vault at Scepsis, we have abundant proof of some of them being familiar to the philosophic world during the interval in which his library itself was lost to view 6 ; and it is probable that many of them, including those of more general interest, were at an early date transcribed at Athens and thence transmitted to the great library at Alexandria.

Thucydides himself uses the shorthand 'Expedition against Sicily' 2.

**Staff View: [Rezzu]: Boule and Demos in Miletus and its Pontic colonies from classical age until third century A :**

This would fit with the theme of the altar-frieze fig.

**Full text of And Mother City In Ancient**

By this time, however, the gerousia has passed out of the epigraphic record of the city.

## Full text of Greek

Other extensive changes include a new sub-chapter on Islands, a completely updated bibliography, and revised citation of epigraphic material relating to the fourth-century bc. There would be much to be said for calling it the Athenian Expedition against the West', were it not that
