**Kelly et.al.**

An advantage of this activity is that students do not need identical copies of the authentic material. Remember to choose material that is appropriate for the students' level. As long as they were not motivated by hostility to the idea of teaching about evolution, this would not ordinarily be deemed censorship.

## Textbooks: Advantages and Disadvantages

The learner-centered curriculum: A study in second language teaching. Now, TPRS Books is committed to helping teachers with training, materials and ideas that make teaching a language effective, fun and easy! The students could also be asked to fill out a mail order form with an imaginary order of purchases for family members, boyfriends, girlfriends, and themselves. In the late 1980s, Blaine worked as a Spanish teacher.

## Using authentic materials

Regarding to non-authentic group, the learners received the non- authentic texts from the English course book. And students will always respond positively to a lesson that involves their favourite singer or bands.

## Using authentic material from the real world to teach English

Finally, teachers are recommended to use topics and authentic-based reading materials which are interesting for students.

## TPRS Books

In view of that, future research could investigate the effect of authentic-based materials on improving oral and productive skills. Moreover, Independent Samples t-test showed that there was a significant difference between the two groups concerning reading comprehension. Confidence soars and word recognition becomes more and more automatic, leading to enhanced comprehension and fluency.

## **Our World, Second Edition**

The test of reading comprehension was prepared from the teaching materials including four reading passages and 20 multiple-choice questions.

### **4 Creative Ways to Use Authentic Materials for Teaching English**

The difference is not in the language materials themselves but rather on their outcomes and their effectiveness. Learn from real classrooms and interviews with teachers from around the world, covering topics relevant to every young learner teacher. The effect of authentic texts on motivation and reading comprehension of EFL students at intermediate level of proficiency.
