### Our Saje x Poosh Collaboration Is Here

Munhwa Kongbobu, Tosan Sōwōn chungsji, 9—10. Since most men were conscripted to fight in that war and were absent from home for years, if they returned at all, many housewives became the breadwinners of their families and took on the responsibility of managing household budgets.

### Our Saje x Poosh Collaboration Is Here

Uniformity characterizes the apartments above all—wallpapers, home appliances, and furniture of similar design and function turn a dream played out on the pages of the Encyclopedia of Housekeeping into a ready-made good. Before and after the 1970s, there seem to have been only occasional publications bearing the title. Far from being an unexciting period devoid of qualitative innovation, I submit, the decade of the 1970s gave rise to the first wave of critical science fiction in Korea.

### Saho s amusement continues earns so much Crores

Otomenak soon feels the intensity of their fury himself, and he barely survives the bombing of his military vehicle by a rebel force. Retired female schoolteacher, interview with the author, Seoul, South Korea, April 15, 2014. The process also allowed Korean scholars to see their role as that of major contributors to the Confucian civilization rather than mere recipients of the theories of Chinese Confucian masters.

### Our Saje x Poosh Collaboration Is Here

Feverish construction of massive apartment blocks and the widespread desire to own a home drove real estate speculation to unprecedented levels in Seoul. Their radicalization was also spurred by interactions with dissident university students, many of whom infiltrated the manufacturing sector through night school, where they taught young workers about such ideas as class struggle, labor relations, and social inequality. In particular, the hostess melodramas achieved commercial success year after year, striking a chord with the urban lower-class audiences that frequented second-run theaters.

### Our Saje x Poosh Collaboration Is Here

Wages remained relatively low and credit was tight. Munji was unequivocal in its criticism of national literature.
