**exciting**

Whether it is a 2-week getaway to the Maldives or a one night stay at your favorite hotel in the city, take a trip with your partner and treat it like a second honeymoon. Indeed, 19-year-old pair Sibley and Knight are among the players who could leave. Spelling and grammar errors have been retained: The word originated from Justin Timberlake of 'Nsync.

**An Exciting Term by Angela Brazil**

Since this initial current is required for a very short time, it is called field flashing. Jose; Abrahamsson, Johan; Lundin, Urban May 2017.

**Slang words for exciting, fun, full of people**

If you want to keep your long term relationship exciting, then you have to act and look the part.

**Exciting**

That party was a blast! Last edited on May 13 2011. For a machine using field coils, as is the case in most large generators, the field must be established by a current in order for the generator to produce electricity.

**'Major problem' at Derby opens Leeds door to snap up exciting duo**

Last edited on Jul 27 2005. In some cases, it can help avoid invasive procedures entirely. BenevolentAI has created algorithms that scour research papers, clinical trial results and other sources of biomedical information in search of previously overlooked relationships between genes, drugs and disease.
