### Here Are 7 Greek Armor and Weapons From Mycenaean Civilization

Both the complexity of the structure, built over a long period with many changes and additions, and the colorful decoration attest to a highly developed civilization with considerable wealth and material resources at its command.

### Mycenaeans and Minoans

It is very often difficult to distinguish between images of worshipers, priests and priestesses, rulers and deities; indeed the priestly and royal roles may have often been the same, as leading rituals is often seen as the essence of rulership. As such, A-ta-na appears in an inscription as mistress Athena, similar to a later expression, but in the Pylos tablets she is mentioned without any accompanying word. Late Minoan votive figures like the perhaps a worshipper carry attributes, often birds, in their.
