110 North East Nostalgia ideas

And perhaps every down home Geordie is drawing up their own profit and loss account, scrutinizing each year the amount they are paying toward culture in their council tax.

Newcastle in the 1950s: 23 photographs from across a memorable decade

He has engaged in a wide range of occupations, including post office clerk and railway worker, and has lived mainly on the South Coast at Brighton since the late 1970s. Added a few photos I found on my other camera which finishes up that page. An amateur astronomer had been

booked to give a talk on neutron stars, super dense stars some of which spin rapidly, sending out regular pulses of radio waves.

26 History of Newcastle ideas

Opposed to the Vietnam War and obviously left leaning, Stallman became a byword for free software, a term which was later modified by the free market libertarian, Eric S.

110 North East Nostalgia ideas

DC-3s initially operated these all-passenger services, which were marketed as Silver Arrow in the UK and as Flèche d'argent in France.
