**The Sad, Dark End of the British Empire**

TRAIN LOADED TO CAPACITY, INDIA PAKISTAN PARTITION. The map below shows countries of the British Empire drawn on a uniform scale of 1:60,000,000 Below the 1910 propaganda map showcasing oversized flags of British colonies, this map artificially increases the apparent influence and presence of the British Empire.

**British Empire at its territorial peak**

Formerly with the New York Times as a foreign correspondent in Asia and military correspondent in Washington, he is the author of a brief biography: My Name Is Shinseki … and I Am a Soldier. However, there were differences of opinion within Britain and the as to which posed the most serious threat, and whether any attack would come from more than one power at the same time.

**The British Empire**

As they have before, nations bigger and stronger than Britain or France—Japan, India, Brazil, South Africa—will ask why the U. Britain turned to the for support in prosecuting the war and defence of the Empire, confirming its decline as a world power, and the manner in which its territories in South-East Asia folded in the face of Japanese attacks dealt an irreversible blow to its prestige. Today, sundown is truly at hand.

**The History of England » 19th century » The British Empire**

Companies were often more interested in making a profit than in taking care of the people it ruled over.

**The History of England » 19th century » The British Empire**

Theories of Empire Historians have long debated how and why the British were able to amass such a formidable and expansive empire in the years since 1497. This culminated in 1784 with a Board of Control to oversee the activities of the EIC. This marked the beginning of several hundred people being transported, usually for petty crimes, across the world.
