Official Journal of the European Communities: Information and Notices

BNA international materials such as the International Trade Reporter Library: INTLAW, File: INTRAD and the International Environment Reporter Library: INTLAW, File INTENV are excellent sources for recent international developments in the areas of trade and environmental law. This handout is an introduction to materials which are related to the European Communities that are available online. For example, the RAPID file contains press releases, speeches and explanations of important Commission proposals and decisions that have been made available through the Commission's Spokesman's Service.
