Chronology of Shakespeare's plays

Oxford, Riverside, Norton and RSC all present chronologies which differ from one another and which attempt to construct only approximate dating.

Shakespeare's Play Types: Comedies, Tragedies & Histories✔

The wedded unity of Romeo and Juliet is absolute from their first meeting to their last embrace; it encounters only the blind onset of outer and irrelevant events; nothing touches their rapturous faith in one another. Additionally, in his 2000 edition of the play for the Oxford Shakespeare, John Jowett argues that the play may originally have been written for , but Shakespeare added some new material after it had passed to , a company which formed in mid-1592 and disbanded in September 1593. Eustace Mandeville Wetenhall , 1889-1962.
