# Topics in industrial mathematics - case studies and related mathematical methods

Kluwer Academic Publishers - Springer partners with the Fields Institute to publish two open access journals

Description: -

-

Industrial engineering -- Mathematics -- Case studies.
Engineering mathematics -- Industrial applications.Topics in industrial mathematics - case studies and related mathematical methods

-

Applied optimization -- v. 42Topics in industrial mathematics - case studies and related mathematical methods
Notes: Includes bibliographical references (p. 345-367) and index.
This edition was published in 2000

Filesize: 64.36 MB
