Queen Victoria picture & short biography

There was often no one but herself to talk to. Victoria went into a deep depression and withdrew from all politics.

The History Press

So when I saw that Lucy Worsley wrote a book about her, I felt it was my civic duty to read it.

'Not one word of truth'

The new title was proclaimed at the of 1 January 1877. He was diagnosed with by , and died on 14 December 1861. Victoria was a popular queen and her reign was a time of great advancement in science, industry and communications.

Queen Victoria Biography Word Picture

The in front of was erected as part of the remodelling of the façade of the Palace a decade after her death.

Biography: Queen Victoria for Kids

Although it seems very straight forward, Worsley is careful to include relevant background and events to streamline the narrative. He was rigid and also extremely sensitive in that rigidity.

Queen Victoria Biography Word Picture

She was the only child of Edward, the fourth son of King George III, and Victoria Mary Louise, the daughter of a German Duke. It's gossipy, full of little-known facts, funny and engaging. A little old lady, potato-like in appearance, dressed in everlasting black? This ended up being the perfect way to get additional information without having to read a dense biography that included every detail about her life.
