Ellen Ecker Ogden

Hi Anna, Your best bet would be to change the scale in your printer settings. The Gardenista editors provide a curated selection of product recommendations for your consideration.

Garden Design Master Class: 100 Lessons from The World's Finest Designers on the Art of the Garden

Plus, all the objects you add to the garden are 3D to make it look more realistic than a simple bird's eye view like some of these planners support. It includes spots to record where you got your seeds, when you planted them, when they germinated and when you transplanted them.
